

MERCURY SYSTEMS, INC. FLOWDOWN PROVISIONS FOR COMMERCIAL ITEMS (FAR Part 12)

INCORPORATION OF FAR AND DFARS CLAUSES

The FAR AND DFARS clauses referenced below are incorporated herein by reference, with the same force and effect as if they were given in full text, and are applicable, including any notes following the clause citation, to this Subcontract. If the date or substance of any of the clauses listed below is different from the date or substance of the clause actually incorporated in the Prime Contract or higher-tier subcontract referenced by number herein, the date or substance of the clause incorporated by said Prime Contract shall apply instead. The Contracts Disputes Act shall have no application to this Subcontract, and the SELLER shall have no right of direct action against the U.S Government. Any reference to a "Disputes" clause shall mean the "Disputes" clause of this Subcontract, and not any FAR AND DFARS disputes clause.

GOVERNMENT SUBCONTRACT

(1) This Subcontract is entered into by the parties in support of a U.S. Government prime contract. The term "Subcontract" as used in the text of this document (including parenthetical instructions), *but not in the clauses listed herein*, includes subcontracts or purchase orders between MERCURY SYSTEMS and SELLER.

(2) In all clauses listed herein, terms shall be revised to suitably identify the party to establish SELLER's obligations to MERCURY SYSTEMS and to the Government, and to enable MERCURY SYSTEMS to meet its obligations under the prime contract. *In the clauses listed herein*, and without limiting the generality of the foregoing, and except where further clarified or modified below, the term "Government" and equivalent phrases shall mean MERCURY SYSTEMS, the term "Contracting Officer" shall mean MERCURY SYSTEMS's subcontracting or purchasing representative, the term "Contractor" or "Offeror" shall mean SELLER, "Subcontractor" shall mean SELLER'S subcontractor or supplier, and the term "Contract" shall mean this subcontract or purchase order. For the avoidance of doubt, the words "Government" and "Contracting Officer" do not change (a) when a right, act, authorization or obligation can be granted or performed only by the Government or the prime contract Contracting Officer or duly authorized representative, or (b) when title to property is to be transferred directly to the Government. The listed FAR AND DFARS clauses are incorporated herein as if set forth in full text unless made inapplicable by their corresponding notes, if any. If any of the following FAR AND DFARS clauses do not apply to this subcontract, such clauses are considered to be self-deleting.
