INCORPORATION OF U.S. GOVERNMENT REGULATORY CLAUSES

The FAR, DFARS, and NFS clauses referenced below are incorporated herein by reference, with the same force and effect as if they were given in full text, and are applicable, including any notes following the clause citation, to this Subcontract. If the date or substance of any of the clauses listed below is different from the date or substance of the clause actually incorporated in the Prime Contract or higher-tier subcontract referenced by number herein, the date or substance of the clause incorporated by said Prime Contract shall apply instead. The Contracts Disputes Act shall have no application to this Subcontract, and the SELLER shall have no right of direct action against the U.S. Government. Any reference to a "Disputes" clause shall mean the "Disputes" clause of this Subcontract, and not any FAR AND DFARS disputes clause.

(1) This Subcontract is entered into by the parties in support of a U.S. Government prime contract. The term "Subcontract" as used in the text of this document (including parenthetical instructions), *but not in the clauses listed herein*, includes subcontracts or purchase orders between MERCURY SYSTEMS and SELLER.

For the avoidance of doubt, the words "Government" and "Contracting Officer" do not change (a) when a right, act, authorization or obligation can be granted or performed only by the Government or the prime contract Contracting Officer or duly authorized representative, or (b) when title to property is to be transferred directly to the Government. The listed FAR AND DFARS clauses are incorporated herein as if set forth in full text unless made inapplicable by their corresponding notes, if any.
