Failure to pay any monies due under this Agreement is considered a material breach. Termination shall not exclude other remedies each party may have for failure to perform its obligations hereunder.

8. Patent and Copyright.

Mercury will, at Mercury's own expense, defend any action brought against Buyer to the extent that such action is based on a claim that any Mercury proprietary Hardware, if used as authorized in this Agreement, infringes a United States patent or copyright. Mercury will pay all costs and damages finally awarded by a court of competent jurisdiction, provided that Mercury is given prompt written notice (by certified mail) of such claim and, all required information, reasonable assistance and sole authority and control to defend, negotiate or settle the claim. Mercury has the right, at Mercury's sole option, either to obtain the right to continue using the Hardware, or replace or modify the Hardware so that it is no longer infringing, or if such remedies are not reasonably available to Mercury, Mercury will grant Buyer a reasonable credit and accept return of the Hardware. Mercury will not have any obligations or liability under this clause if the alleged infringement arises from (i) use or combination of the Hardware with other products, devices or software not supplied by Mercury, or (ii) Mercury's compliance with Buyer's designs, specifications or instructions, or (iii) modifications or alterations made by any party other than Mercury, or (iv) use of the Hardware in a manner not reasonably foreseeable. **THE FOREGOING STATES MERCURY'S ENTIRE LIABILITY AND OBLIGATION FOR INFRINGEMENT OF INTELLECTUAL PROPERTY RIGHTS. MERCURY DISCLAIMS ALL OTHER LIABILITY FOR THE INFRINGEMENT OF INTELLECTUAL PROPERTY RIGHTS.**

Buyer agrees to indemnify and hold Mercury harmless from any claims, suits, proceedings, losses, liabilities, damages, costs and expenses (inclusive of Mercury's reasonable attorneys' fees) arising from (i) use or combination of the Products with other products, devices or software not supplied by Mercury, or (ii) Mercury's compliance with Buyer's designs, specifications or instructions, or (iii) modifications or alterations made by any party other than Mercury, or (iv) use of the Products in a manner not reasonably foreseeable. Mercury shall

have the right to participate, at its expense, in the defense of any claim covered under this section with counsel of its own choosing.

9. INTELLECTUAL PROPERTY OWNERSHIP.

Buyer understands and agrees that Mercury shall solely and exclusively own and have all right, title and interest in and to all technical data, software, both object and source code, trade secrets, mask works, processes, ideas, know-how, documentation, concepts, inventions, improvements, discoveries and any other tangible or intangible property (collectively, the "Information") developed or prepared by Mercury pursuant to or in anticipation of, a Buyer purchase order and all related copyrights, patents, trade secret rights, mask work rights and other intellectual property rights.

Without limiting the generality of the foregoing, Buyer agrees that all records papers, reports, descriptive and pictorial material, printed or written technical information, drawings, reproductions thereof, samples, models, and tools supplied or produced by Mercury during performance of the work under this Agreement with Buyer shall be considered Mercury's property, the nature and contents of which shall not be disclosed to others without written permission from Mercury, and shall be surrendered by Buyer to Mercury upon completion of the related portions of such work, as may be requested.

10. Limitation of Liability.

Circumstances may arise where, because of a default on Mercury's part or other liability, Buyer is entitled to recover damages from Mercury. In each such instance, regardless of the basis on which Buyer may be entitled to claim damages from Mercury, (including fundamental breach, negligence, misrepresentation, or other contract or tort claim), Mercury is liable for no more than the amount of any other actual direct damages up to the lesser of charges for the product or service that is the subject of the claim or two-hundred and fifty thousand dollars (\$250,000). Notwithstanding the foregoing, in no event, however, does Mercury assume any responsibility or liability for any damages whatsoever occasioned by or resulting from the manufacture, lease, sale, license or use of Buyer's products.

This limitation of liability also applies to third party suppliers. It is the maximum for which they and Mercury are collectively responsible. The third party suppliers are an intended beneficiary of these limitations and disclaimers and the limit of liability for Mercury and its third party suppliers is not cumulative.

UNDER NO CIRCUMSTANCES IS MERCURY OR ITS SUPPLIERS LIABLE FOR ANY OF THE FOLLOWING, EVEN IF INFORMED OF THEIR POSSIBILITY:

- (a) LOSS OF, OR DAMAGE TO, DATA;
- (b) SPECIAL, INCIDENTAL, INDIRECT, PUNITIVE OR EXEMPLARY DAMAGES, OR FOR ANY ECONOMIC CONSEQUENTIAL DAMAGES; OR
- (c) LOST PROFITS, BUSINESS, REVENUE, GOODWILL, OR ANTICIPATED SAVINGS.

NOTWITHSTANDING ANYTHING IN THIS AGREEMENT TO THE CONTRARY, BUYER ACKNOWLEDGES AND AGREES THAT THE REMEDIES SET FORTH IN THIS AGREEMENT SHALL APPLY EVEN IF SUCH REMEDIES FAIL THEIR ESSENTIAL PURPOSE.

SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO BUYER.

This Section 10 shall survive any expiration, termination, or cancellation of this Agreement.

11. General.

- A. This Agreement may not be assigned by Buyer without the prior written consent of Mercury, which consent shall not be unreasonably withheld.
- B. All notices relating to this Agreement must be sent by either certified or registered mail, postage prepaid or electronic mail, by a duly authorized representative from Buyer's facility. Each of the parties may communicate with the other by electronic means and such communication is acceptable as a signed writing.

This Agreement constitutes the entire agreement between the parties regarding the subject matter herein and shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.
- D. If a dispute or controversy arises regarding this Agreement or a purchase order, the parties will attempt in good faith to settle it amicably or through ADR (Alternative Dispute Resolution) mediation rather than litigation or arbitration. The parties will mutually select the location and ADR entity to mediate the controversy and both agree to cooperate in reaching a settlement. Each party will be responsible for their own expenses but will equally share the costs and expenses of the mediation.
- E. This Agreement shall be governed and construed in all respects by the laws of the Commonwealth of Massachusetts without regard to its choice of law principles and Buyer agrees to submit to the jurisdiction of the courts of Massachusetts (or federal courts) when a dispute arises that the parties cannot settle amicably or through ADR. Any action by either party must be commenced within one (1) year after the cause of action arises, except an action for non-payment may be commenced by Mercury at any time.

An End Use Statement signed by Buyer may be required prior to shipment. For further information contact Mercury, and see www.pmdtc.state.gov or www.bis.doc.gov. Buyer agrees to indemnify, defend, and hold Mercury and its third party suppliers, harmless from any claims, damages or suits resulting from its failure to comply with this Section 11. F.

- G. To ensure compliance with the International Traffic in Arms Regulations (ITAR), Buyer must notify Mercury's Legal Department for instructions prior to providing Mercury any requirements, items or technical data subject to the ITAR. All purchase orders or requests for quotation that involve Buyer ITAR-controlled items or technical data must include the following statement, in a conspicuous format, on the item or technical data supplied to Mercury:

“ITEMS OR TECHNICAL DATA SUBJECT TO ITAR”

Mercury disclaims any liability whatsoever that may result from Mercury's inadvertent disclosure of Buyer's ITAR-controlled items or technical data to a "foreign person" (as that term is defined in the ITAR) resulting from Buyer's failure to abide by the foregoing requirement.

- H. The provisions of this Agreement are severable and the invalidity of any provision hereof shall not affect the validity of any other provision.
- I. Failure by either party to insist in any instance upon strict performance by the other party of any provision of this Agreement shall not be construed or deemed to be a permanent waiver of such or any other provision of this Agreement. The rights and remedies of the parties are not exclusive and are in addition to any other rights and remedies provided by law, equity or statute.
- J. Neither party shall be responsible for failure to fulfill its obligations under this Agreement due to causes beyond its control.
- K. Mercury and Buyer agree to exclude application of the United Nations Convention on Contracts for the International Sale of Goods and the Uniform Computer Information Transactions Act from this Agreement.
